Notes on use

The use of this form is not mandatory. You may also withdraw from the contract within the period by making any other clear statement to that effect to us (Article 6:230o(3) of the Dutch Civil Code, BW).

Terminology
The Dutch Civil Code calls this right the right of rescission (recht van ontbinding) and refers to this form as the model rescission form (Article 6:230o(3) BW); the Directive and the form itself use the word withdrawal. It concerns the same right.

Submission
You can send the completed form by e-mail to info@online-3d-printen.nl or by post to the address stated above.

Online withdrawal function
You may also withdraw from the contract via the function provided for that purpose on our website. If you use that function, we will confirm receipt without delay on a durable medium, stating the content of the statement and the date and time of submission. The function is available throughout the entire period; you are deemed to have exercised the right in time if you submit the statement before the period expires (Article 6:230oa BW, which entered into force on 25 June 2026).

Period
To meet the deadline it is sufficient that you send your communication before the period expires. The period is fourteen days; further information can be found in our terms and conditions.

Exceptions
There is no right of withdrawal for goods made to your specifications that are not prefabricated and are produced on the basis of an individual choice or decision by you, or that are clearly personalised (Article 6:230p(f)(1°) BW). Further information can be found in our terms and conditions.
